To whom this may concern,

I'm following up with several complaints filed in 2025 at 1840 Onyx Alley.

The mailbox indicates there's a vacancy at apartment A.

However, the noise on the stairs, & in the upstairs unit - indicates that there is not a vacancy.

The noise has been prevalent the last few days - as this mailbox indicates vacancy.

One can assume that it's being cleaned for the next tenant.

Although whoever is up there now - is not cleaning, and has been there since last night, listening in on phone conversations.

Clearly somebody is trespassing, or there is an illegal tenancy, on top of the illegal tenancy - if it were actually in writing.

I am prepared to call law enforcement to report the trespasser, as it makes me feel unsafe in my uncertified dwelling.

Please clarify for the record.
